

PROGRESSIVE CLUB

OF

STINSON BEACH

MARIN COUNTY

::

CALIFORNIA

April 17, 1950

Dear Friend:

Your Progressive Club has started off this year under very auspicious circumstances. We are holding our meetings in the new Fire House, the first unit of your Community Center-- and we are planning on bigger and better activities to do our share in helping to bring nearer the day when ground can be broken for the next unit-- the Social and Recreation Hall.

We have a new set of officers, but thanks to the tutelage of Past President Lester Sadler and co-workers, who have kept the ball rolling in great shape the past several years, we seem to be making progress.

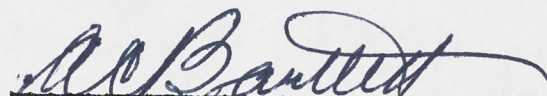

Last year was one of the biggest and most successful years in the history of the Club. Our most satisfying activity was our part in the completion of the first unit of the Community Center, of course. But many other fine things were accomplished for the welfare and enjoyment of the community. The Club-sponsored Cub Pack and CampFire Group are going ahead splendidly. The Scout Troup is organized and gaining momentum. The Club helped send several boys and girls to summer camp. The Christmas Tree decorations were better than ever. Our membership participated energetically in the July 4th Celebration, Dipsea Race and Rough Water Swim arrangements. Numerous parties at which funds were raised, all were highly successful and contributed much to the social life of the town. We have kept in touch with civic and county affairs through committees and speakers who have addressed the Club, and, in the matter of utilities, highway improvement, bus service, etc., we have done our utmost in the best interests of Stinson Beach.

We know that you are interested in the town, we want you to feel that this is YOUR Club, and we bespeak your active support of our activities.

If you possibly can, please attend our meetings, held the first Wednesday of every month at the Fire House, and help up to shape a program of action that will make Stinson Beach an even nicer place in which to live and enjoy life. Even if you cannot attend our meetings, please give us the benefit of any suggestions you may have.

How about sending in your membership NOW, in case you haven't done so? The dues are only \$1.50 per year, per person, and membership in the Progressive Club automatically gives you membership in the Stinson Beach Community Center, Inc.

Sincerely,

President

Your new officers are: Allan C. Bartlett, President; Chauncey M. Jacques, Vice President; O. B. Cavanaugh, Treasurer; Harriet M. Greene, Secretary

PROGRESSIVE CLUB OF STINSON BEACH

October 6, 1950

Dear Friend:

In checking up on the financial position of the club, we find that there are some members who seem to have overlooked paying their dues for the current year.

Naturally, we would like to have the money in the treasury, since our program of community activities does deplete our funds somewhat. Also, we would like to build up some reserve for future contingencies, if possible.

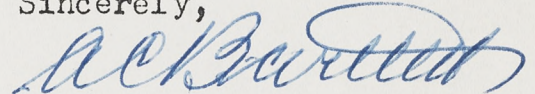

In case you have forgotten the amount, the dues are \$1.50 per year per person. Membership in the Progressive Club automatically makes you a member of the Stinson Beach Community Center, Inc.

We have been having some interesting meetings this year, and, we hope, accomplishing some things for the good of the community. We need your moral, as well as your financial support.

We meet the first Wednesday of every month, so our next meeting will be November 1, at 8 p.m. at the Fire House.

Please try and make it. We'd appreciate having you.

Sincerely,

Allen C. Bartlett
President.
